

MLK 2017 EXPRESS - SUCCESS

Youth church groups, Youth clubs
and Youth organizations are
invited to attend our exciting and fun
filled day.

Education - Career & Youth Talent

The Express-Success is an education, career, and health fair. It is an opportunity to get businesses, education institutions and health services in one place to provide information to people in our community on what opportunities and services are available to them.

The event also has a talent showcase component that highlights young local artist. We encourage students to participate from ages 5-21 with a variety of talent from singing, dancing, poetry, and more.

It is an event that brings families together for a day of fun and entertainment, and most importantly information for community growth and development!

For More Information —
Please call: 912-234-5502
